

TALGO AWARD FOR TECHNOLOGICAL INNOVATION

XXI EDITION- LEGAL BASIS

The following rules govern the call for entries and participation in the XXI Edition of the Talgo Award for Technological Innovation. The purpose of this Award is to promote and develop innovation projects that give additional value to railway technology and mobility, and which are organised by PATENTES TALGO, S.L.U., with registered office in Las Matas, Paseo del Tren TALGO nº 2, Las Rozas, Madrid with N.I.F. (Tax Identification Number) number B-84528553 (hereinafter TALGO or the ORGANISER). Participation in the Award implies full acceptance of these rules.

AWARDS

This edition of the Talgo Awards for Technological Innovation will be divided into two categories as set out below:

CATEGORY I

RAILWAY TECHNOLOGY AWARD. In this category, projects that involve a technological advance, whose application in railway operation will lead to significant improvements, will be assessed.

CATEGORY II

MOBILITY AWARD. In this category, projects in a more global setting, such as transportation, will be recognised. Projects related to Industry 4.0, Big Data, security, accessibility, intermodality, circular economy, sustainability, digital transformation, user experience, passenger services, last mile services and cybersecurity will be assessed.

ENDOWMENT

Each of the two awards in this edition will be endowed with:

- Fifteen thousand euros (€15,000.00), for the person or group of people whose project wins. In the event that the award is given to a group of people, the ORGANISER will distribute the award equally among the group with the winning project.
- A commemorative sculpture.

Likewise, the author or authors of those works that the Jury considers worthy of a mention of quality, may publish their project in a prestigious magazine related to the railway sector and mobility, with the expenses of such publication to be paid by the ORGANIZER.

PARTICIPATION AND ADMISSION DEADLINES

The Awards are open to natural persons of legal age (as individuals or as a group) or legal entities that submit works or projects in accordance with the provisions of these Rules. There is no limit to the number of projects submitted per natural or legal person or group of people. The same person can submit projects in both categories and win in both categories. Proposals may be submitted by both people belonging to the Spanish national territory and of an international nature.

The call for applications will be open and exclusively from February 1, 2024 at 9:00 a.m.
until June 1, 2024 at 11:59 p.m.

DOCUMENTATION

To take part in either of the two categories, please complete the form available on the website (www.premio-talgoinnovacion.com). The projects and works must be submitted in digital format and should preferably be written in Spanish; alternatively, they may be presented in English.

CRITERIA FOR EVALUATION AND DECISION

SELECTION COMMITTEE

The Selection Committee chosen by TALGO will analyse and evaluate the projects submitted by the participants within the deadline and will choose those which, according to the criteria described below, are to be considered as potential winners.

If the Selection Committee considers it necessary, it will request and summon the participants worthy of being finalists for a public defence of their proposal and/or expansion of the information presented. Refusal to participate in this public defence or failure to attend will mean that the participant will not be able to continue taking part in this edition of the awards.

OFFICIAL JURY

An Official Jury made up of prestigious personalities will choose, from among the works and projects previously selected by the Selection Committee, those which, according to the criteria described below, are worthy of winning. The decision of the Official Jury shall be final.

TALGO reserves the right to declare the call totally or partially void in the event that it considers that none of the projects presented satisfies or fulfils the criteria formulated.

The Jury will value positively the following criteria in both categories, although they are not obligatory::

- **INNOVATION.** Use of new technologies, novelties or modification of elements that lend added value not previously obtained.
- **IMPACT.** Potential of the project with regard to the proposed objective or related objectives.
- **RELATIONSHIP WITH RAILWAY TECHNOLOGY.** In both categories, the link of the proposal to railway technology and with TALGO technology in particular will be positively assessed.

DATA PROTECTION AND IMAGE TRANSFER

In compliance with the provisions of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016, as well as with the applicable national regulations on data protection, Organic Law 3/2018 of 5 December on the Protection of Personal Data and Guarantee of Digital Rights, you are hereby informed of the basic components of the processing of your personal data:

In any case, the creator(s) will make the final decision. In the event of opting for such collaboration, TALGO would be the owner of the patent and its rights in the terms agreed between the parties, with the authorship of such Patent by TALGO being recognised at all times. Therefore, the rights over the projects, unless otherwise agreed, will belong to the participants.

TALGO AWARD FOR TECHNOLOGICAL INNOVATION

XXI EDITION- LEGAL BASIS

Participation implies acceptance of these Rules, and is expressly subject to the promoters' interpretations of them. The promoters reserve the right to change, suspend or cancel the execution of the Awards based on what is necessary. The interpretation and fulfilment of the Rules will be governed by Spanish law. The Courts and Tribunals of the city of Madrid shall be appointed to hear any disputes that may arise as a result of this Promotion.

The awards will be paid by TALGO to a representative of each of the winning projects by bank transfer to the account expressly designated by the winners.

In the event that any of the awards goes to a public administration, entity, body or organisation (with the exception of Universities) the winning entity will have a period of one month to choose an Association or Foundation (public or private, and outside a political party), to which to donate the full amount of the award, with the aim of promoting research in any of its fields.

Once chosen, it must be communicated to TALGO for approval. From then on, the winner will have another week to make the transfer to the beneficiary organisation, which will have to issue a donation receipt to the winner. The winner must send both the donation receipt and the transfer receipt to TALGO.

The delivery of the awards will be carried out within two months from the moment of their delivery, unless the winner has not provided TALGO with the payment details, in which case TALGO is not obliged to make any payment until it has been clearly informed of where to proceed with the payment.

No member of TALGO's staff or of its Foundation will be allowed to compete for the XXI Edition of the TALGO Technological Innovation Awards. The members of the Selection Committee and the members of the Official Judges Panel, as well as their relatives, are not allowed to compete either.

A maximum of three calls is established to present a project. Those works that exceed this number will not be considered by the Selection Committee to be eligible for the award in any of its categories.
